

***Caring for the Spirit  
Collaborative***

***Dorset and Somerset Strategic  
Health Authority***

***The Revd Dame Sarah Mullally***

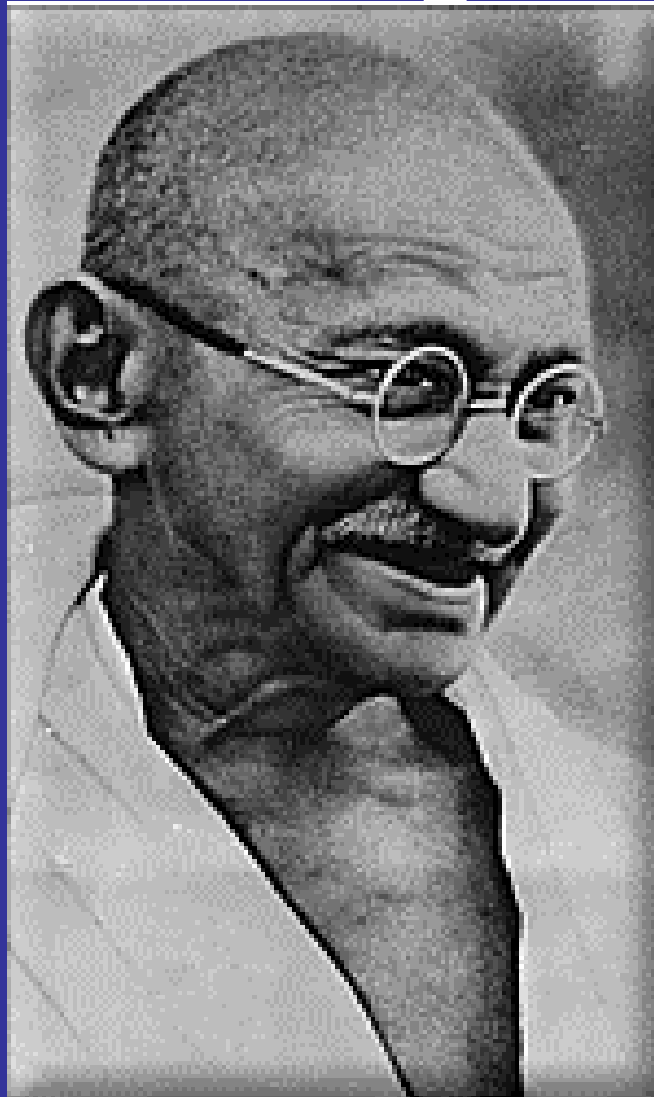

# *Leaders wanted!*

# *Individualism a false ego?*

*Humility was his political strength*

# *A servant not a leader*

# *Servant Leader*

# *Leadership*

- Determination
- Encouragement from managers
- Qualifications
- Professional ability
- Proactive
- Willingness to learn
- Approachable
- integrity

# *Treated as an Individual*

*"The healing touch" by Michele Angelo Petrone*

# *Treated as an Individual*

*"The healing touch" by Michele Angelo Petrone*

- *Healthcare capacity in the community*
- *Spiritual capacity in the NHS*
- *Organisational boundaries*
- *Language and meaning*

# *Parish Hospital Interface*

*"The healing touch" by Michele Angelo Petrone*

# *A future vision of healthcare chaplaincy ?*

- Patient choice
- Integrity of care
- Ritual equivalence
- Ritual responsibility
- Generic and faith based chaplaincy
- Community and NHS accountability

# ***A future model of Health care Chaplaincy***

- Building the health care capacity in the faith community
- Building the spiritual capacity of the NHS
- Providing specialist spiritual advice
- Meeting complex spiritual needs
- Providing strategic spiritual direction in the NHS
- Providing leadership

# Spiritual care is as much a way of being as a way of acting

John Swinton 2003

*"Joy" by Michele Angelo Petrone*
